

# Google Group Project Manager

www.GroupProjectManager.com

- plan projects
- work with peers, make a schedule
- assign deadlines

- A user would likely find our site by a generic google search, or be asked to use it.

## Your Projects

- Grove Art ①
- Software Engineer

*Should be part of a larger page*

*Users should have multiple projects visible at once*

Software Engi...

To do:  
 Add ..... +

done:  
 program... +

*Thumbnails  
mobile will have  
a more vertical  
format -  
smaller - simple*

*Website will  
be more  
vertical - maybe  
a bit more  
complex*

www.groverux4.com/Project4....

You are not a member of this project!

*Users should not have access to projects as default*

### Add users to Project

www.gpm.com/P874...

- ☐ ⑧ John A.
- ☒ ⑧ David G.

*We want to  
make it easy  
to add users  
to a project and  
see who is  
already there*

### Message

⑧ John A. ①  
 ⑧ David G.  
 ⑧ Edwin M.

Text here... +

*Image +  
Maybe files here*

### Account Options

- ⑧ + profile picture
- Name / Age
- Job title

*Allow users to  
edit profile  
Name / Age  
Job title  
etc*
