

Group projects
were assigned

Students jump
into project

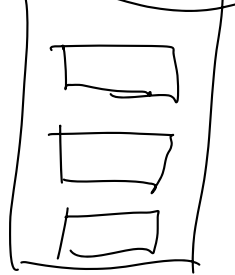

Students end
up w/ too many
apps to connect

unable to
reach each
other

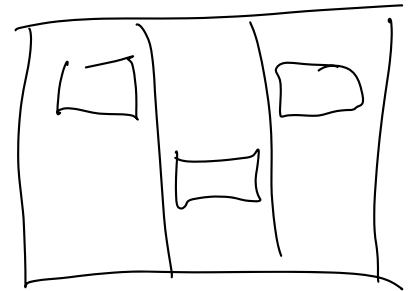

Todo(100)

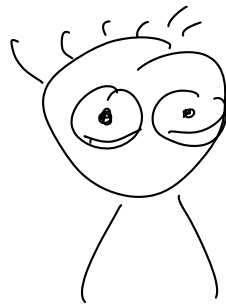

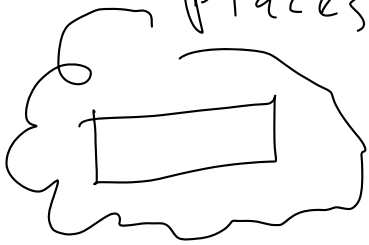

too
many
todo
not
being
done

no one source
for deadline

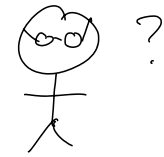

files in different
places

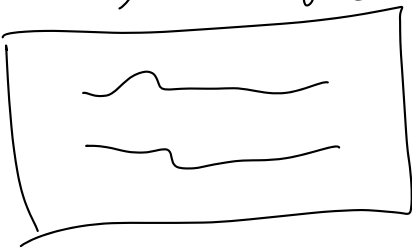

too much
to handle

Professor have
no idea on status

Everything is a
mess

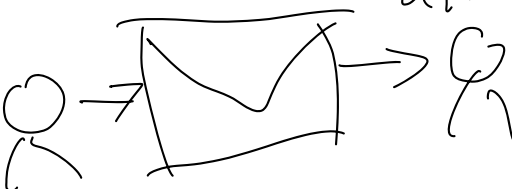

Student find
Group
project
App

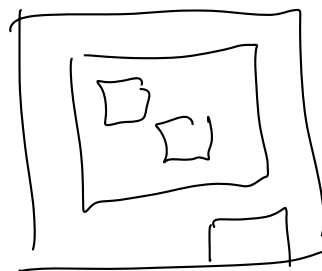

Student Sign
up

Student Group
by email to
app

Students have one
app

Everyone happy
